Head Teacher

Children have been excited this week seeing work beginning in the hall. Next week, work is expected to really gear up a level, and hopefully this time next week the demolition phase will have properly started. Although this is exciting, we know it can cause distractions, and next week is set to be the most disruptive week in terms of noise level - however this week, it was great to see children focusing and concentrating despite the noise (and excitement of seeing dumper trucks!)

These things will help make learning exciting and enjoyable for your children.

We are sending out Christmas designs made your child that can be purchased as cards, magnets etc. By purchasing a pack you will be helping school funds, please fill in the form by at the latest Friday 19th October. Before we break up for Half Term.
